President Message

Dear Friends,

Festive Greetings!

As the situation improves and a ray of hope emerges, our center has also gradually started coming to normal.

We ensured that during challenging times of covid, online activities continued. We gained both more experience and insights which have helped us to generate new variations and additions to the sessions.

Our upcoming Residential Facility which is focused to give children with special needs, a place to live with dignity and care and not have their parents worry about them, has also progressed satisfactorily.

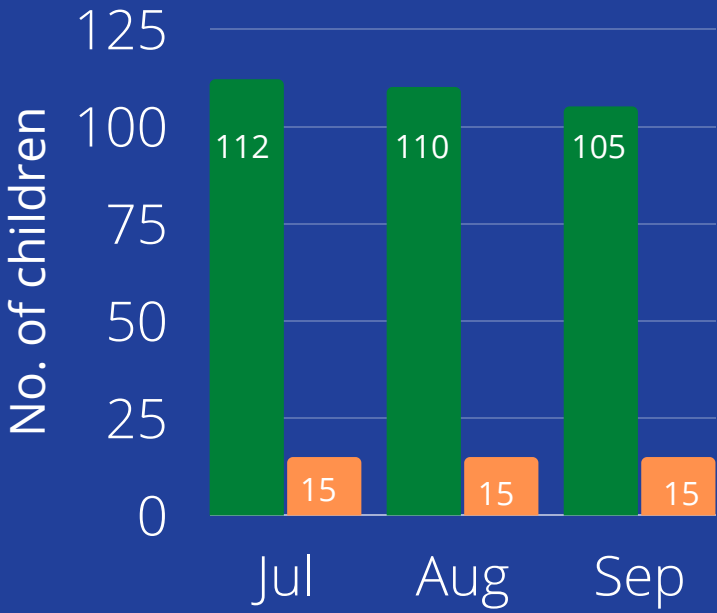

It gives me immense pleasure to share that a few buildings including the site office, the guard room, and the caretaker's premise are fully functional. As we get funds from the donors we will start constructing more homes.

Wishing all our supporters and well-wishers a Happy Diwali.

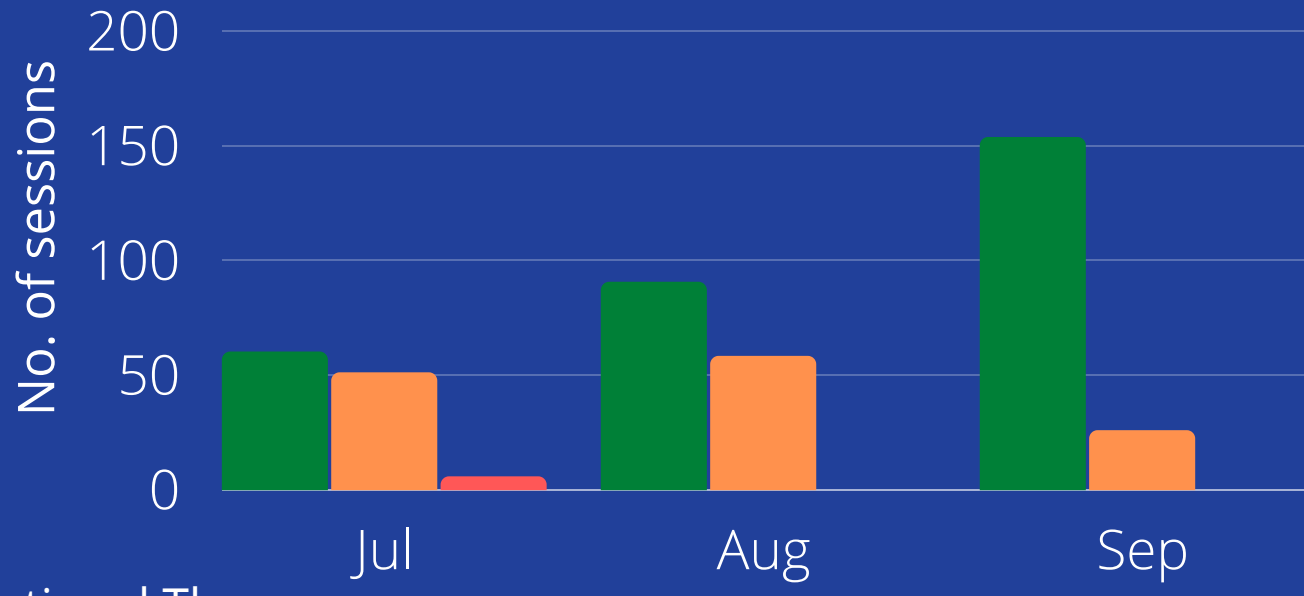

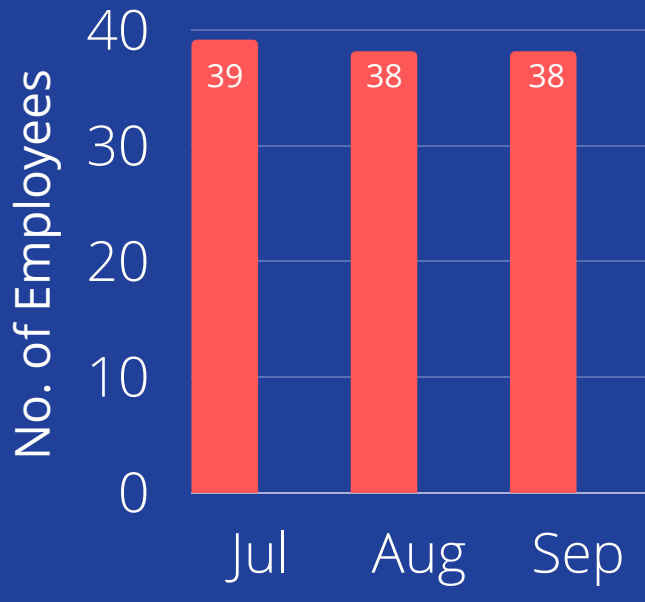

Best wishes,

Rakesh Jinsi
President
