MESSAGE FROM PRESIDENT

Dear Friends,

It was very satisfying to see the progress of the last quarter at Khushboo.

The number of children with us crossed 100 for the first time after COVID.

The activity level at the center also increased, with our children celebrating different festivals viz, Republic Day, Holi, etc as well as participating in many national and local level events.

Knowledge and skill upgradation of our staff, as well as parents, was another focus area, where good work was done.

It was particularly very encouraging to see that despite many challenges, our fundraising team ensured that we were able to continue with our work smoothly.

Our residential facility achieved another milestone. Construction of two Family Homes was completed and another one is under construction which is likely to be completed by July 2023.

I sincerely hope that we will be able to make much more progress in the year 2023-24.

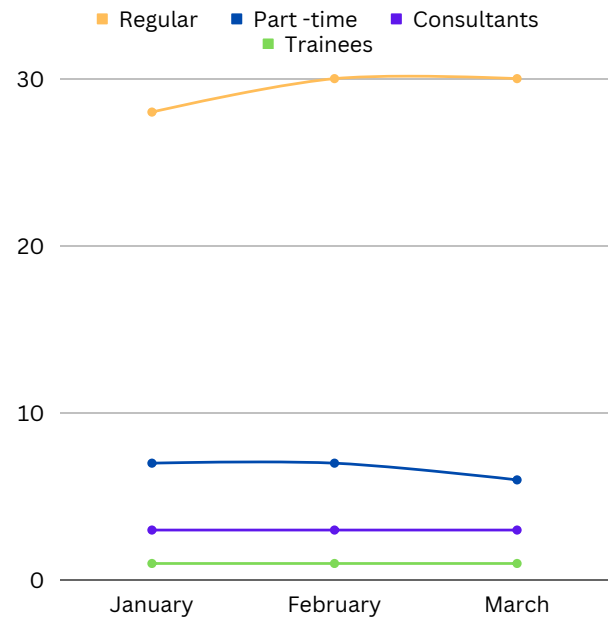

Happy reading and best wishes,
Rakesh Jinsi
