Message from the President

Dear Friends,

The last quarter has been very exciting and encouraging for the Khushboo Family.

Khushboo was honoured with the “Mahatma Award for Social Good 2019” as a recognition for its efforts in the wellbeing and care of specially abled children.

Our children made us very proud by actively participating in National Coaching Camps held by Special Olympics Bharat in sports like Cricket, Volleyball, Floorball and Cycling and Ice skating. Our corporates partners continued their support through both, monetary as well as non monetary ways.

“Disability Week” was celebrated with a lot of enthusiasm in a very different way.

Work at the Tauru Campus is steadily progressing .While the layout planning as well as the government approvals should get completed soon, the challenge of raising funds for the project remains a huge task. We hope we will be able to raise sufficient money to start the construction at an early date.

I thank you for your support and urge you to continue to support us in making a significant difference in the lives of children under our care and also enable us to reach out to many more children.

President

Rakesh Jinsi
